BisMarket is a non-profit, seasonal community farmers market in Bismarck. Our mission is to provide access to a variety of locally grown, high quality, farm-fresh products direct from local producers. This family friendly market enhances community building, fosters local business growth and encourages healthy food choices in a green outdoor space. Since 2013, we have connected thousands of community members with fresh food, small businesses, and local entertainment.

BisMarket operates weekly from June to October, with around **20 markets** throughout the season. We also operate a monthly market during the winter months. Average attendance at a market is over **500 customers**. Our largest market in 2022 was over **1,200 customers**. We have over **9,000 followers** on Facebook and almost **2,000** on Instagram.

We have more than **60 small businesses** that vend at our market throughout the season. Our vendors reported close to a **quarter of a million** in sales in 2022. We also surpassed the **\$1,000,000 sales mark** for our vendors since opening.
